

REEL-EM-IN 7' SPINNING

The latest technology in IM6 Carbon fibre has produced this purpose built 7' spinning rod.

Stand out features include cork grips, SCI guides and a non glare matt finish. Extra guides provide for even load sharing over this two piece rod.

The brute strength this rod displays will stop any Trevally or Jack in their tracks.

6' BAITCASTER

6' BAITCASTER

The latest technology in IM6 Carbon Fibre is displayed here in the 6' Baitcaster. This rod is designed for precision casting and features include Cork Grip, SCI Guides, Trigger Grip reel seat and is finished in a non glare matt finish. The rod is two piece with one piece performance and comes with a quality bag for storage.

You will be impressed with the pulling power this rod displays in fighting the big fish.

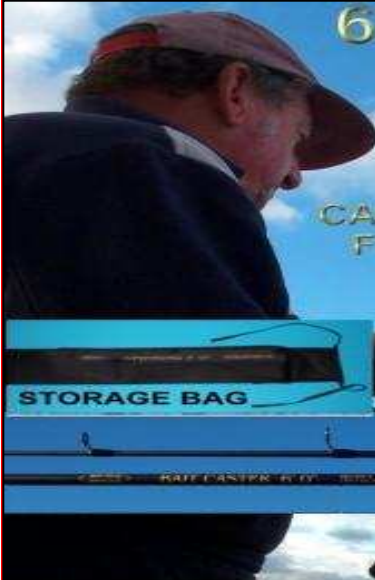

This rod is ideally matched with the HBC1540 or the HBC20G.
